recall John's structure -

Ch. 1 - prologue - introduce ideas

ch 2-4 4 Jewish cultural symbols

ch 5 - 4 Jewish festivals

betshada - Sabbath - Jesus does not object to the Sabbath - He objects to the rules the Pharisees have put in the Mishnah. The Sabbath is a perfect day to be made whole

Jesus testifies of his relationship to the Father judgement to the Son - Daniel 7 (John 5:22)

Bread of life

Manna is bread from heaven - it was God who gave it - he who believes has eternal life.

You "eat" Jesus when you believe in Him - trusting that Jesus is who he claims
Jews complain because of the bread John 6:43 "murmur"

If you eat of the bread (that is Jesus) you won't die

The bread is my flesh - add drink my blood

Jesus is liquid - woman at the well

Turned water into wine - Cana

Jesus' blood - he has turned water into blood

(Jesus' followers have been using wine as sacrament)

Somehow, eating & drinking Jesus' flesh & blood causes him to abide in us, and we in him

come and drink, the one who believes in me, rivers from (his) belly will flow living water

equally ~~strenuous~~ grammatically possible - Jesus' belly
